

Life's Little Luxuries

19. Seeking to bring you moments of peace and relaxation, **AARAM LUX** creates beautiful and unique handmade candles and concrete pieces. Their wonderful array of candles are made from natural materials and make perfect decorative additions in any home. Shop at www.aaramlux.com and follow @aaramlux on Instagram for more.

20. Clinically formulated collagen supplements by **KOLLO**. Their uniquely blended, award-winning supplements contain 10 grams of marine collagen, Vitamins B and C. Feel boosted, with healthier-feeling hair and nails and shop online at www.kollohealth.com and Instagram @kollohealth

21. At **BELLA CHOCOLATE** you will find unique chocolate creations ranging from various beautifully coloured bonbons with different fillings to bars, truffles and more, all made with the highest quality couverture chocolate and finest natural ingredients. It's a perfect gift for your loved one for any occasion, bespoke event or a treat for yourself. Shop online at www.bella-chocolate.co.uk and follow @bellachocolateuk on Instagram.

22. The future of fine jewellery aftercare, the **JULI** Diamond Cleaning System is the missing link to getting and keeping your diamonds fresh, sparkling and sexy everyday. Together, the patent-pending sonic JULI brush, purifying diamond cleanser and ring-holding cap offer safe, professional grade diamond cleaning in seconds, wherever you are. Find out why this beloved luxury brand has jewellers, celebrities and housewives drooling over their diamonds again at www.julibrush.com Find them on Instagram @the_juli_brush

23. **ATOM STUDIOS** have created some of the best-looking, sustainable tech accessories in the market. Their products feature tasteful colours and innovative, eco-conscious materials developed by themselves. Sustainable accessories that don't compromise on design. Shop the range of phone cases, AirPods Pro cases, cables and weights at atomstudios.com or visit @atom_studios official on Instagram to find out more.

24. **MITZE COLLECTION**, a unique range of eco-friendly, natural wax candles with four luxurious signature scents, designed to enhance your mood and help take you through your day. With their complimentary #BeyondTheCandle kit you can recycle the glass candle holder by simply planting your chosen seeds, then watch a miniature herb garden full of wonderful tastes and flavours grow. Use code VOGUE15 for 15% off (expires 01/11/21). Shop online at www.mitze-collection.co.uk Instagram @mitze-collection

25. Distilled in England, **HONEYBELL** small batch spiced rum is perfect for sipping and versatile enough for any mixer or cocktail. The bumble bee and its English blossom honey are central to Honeybell Rum, which combines the sweetness of their natural nectar with the bitter-sweet taste of orange and aromatic vanilla, to create a unique and complex flavour profile. Visit honeybellrum.com and follow @honeybellrum on Instagram.

26. Simplicity and elegance are perfectly combined in the wealth of home and body fragrance choices at **NUSCENTS**: from candles, room perfume and reed diffusers to wax melts and delightful bath bombs. Select from an enviable and artisan scent range in an array of desirable products traditionally hand-poured in Derbyshire. Explore more online at www.nuscents.co.uk Follow on Instagram @Nuscents

Vogue's Autumnal Abode

1. **ANNA VICTORIA INTERIORS** is an English born Interior Design Studio with a global client base spanning the UK, Europe and the UAE. Highly influenced by travel and nature, her services include creating large scale bespoke art commissions in many artistic styles and in-house original soft furnishings, alongside personalised Interior Design services. Find out more at www.annavictoriainteriors.com and @annavictoriainteriors

2. Copenhagen based design studio **WILD STUDIO** presents beautifully elegant, sustainable and functional furniture, using entirely recycled plastic. The exquisitely simple form of their pieces is a poetic tribute to the Danish furniture tradition. Shop from their collection of tables and stools online at www.wildstudio.dk and Instagram @wildstudio_copenhagen

3. **BREATHE ENLIGHT CO** (affectionately called BE) is a luxury, hand-poured and soy wax candle company based in New Orleans, USA. BE is dedicated to helping women step into their light and connect with their highest selves through affirmation candles and ritual tools. A simple reminder to BE the light. Find out more at www.breatheenlight.com

4. **TOTUS CERAMICS** offers a variety of both, functional and decorative, hand-built ceramics. This Nordic designed pottery is inspired by nature while also reflecting the personal journey of recovery of the creator, Jelena Mohani. Enjoy her modern ceramic designs at www.totus.art and Instagram @TotusCeramics

5. **RUSTIQUE**. A UK based antique store specialising in sourcing beautifully intricate antique objects from the French countryside to add a wonderfully warm statement piece to your home. From ceramics to prints and table ware, explore their range online at www.rustique.uk and Instagram @rustiqueuk

6. **GREEN ROOM** travel tins feature bold colours and unique graphics with a vintage vibe and contemporary significance. These tins are more than just a way to protect your shampoo and conditioner bars between lathers, but are a thoughtfully curated tool designed to help us live more mindfully with less. Shop at greenroombody.com and @greenroombody on Instagram.

7. **BUGAIA** is an interior fragrance maison that offers iconic products such as candles, home fragrances and hand wash which are made in France in the best workshops, through an ethical manner. Bugaia is inspired by art deco style forms and retro style patterns of packaging. Visit bugaia.fr for more @bugaia.paris

8. Based in Atlanta, GA, **BLACK SAGE HOME** specialises in custom blended fragrances that blur the lines between "traditional" feminine and masculine scent profiles, delivering a luxury experience for your senses. Infused with phthalate-free, non-toxic, essential oils and high grade fragrances, their all-natural candles are hand-poured, vegan and eco-friendly. Visit online at blacksagehome.com or Instagram @blacksagehome

9. 100% Long Staple Cotton bedding and bath goods by **OCOZA**. Every piece that Ocoza has to offer is soft, hypoallergenic and free from harmful substances. Designed with their user in mind, they guide you to have your ultimate slumber. All natural and luxurious for great value online at www.ocoza.com Instagram @ocozacom
