## FIRST CLASS BEAUTY

**1. YATINA** award winning Mask Drops, a 100% natural aromatherapy based product for use with face coverings to help support your physical and mental wellbeing. Apply a couple of drops to your face mask before wearing to create your personal wellness space with each breath. Visit [yatina.com](http://yatina.com) and follow @yatina on IG.

**2. WAPHYTO** provides complete care for your hair, believing in a holistic approach that nourishes the hair with moisture from root to tip. With this in mind, they have designed a haircare series using only the best clean-beauty ingredients to promote balanced hair and scalp health. The range is silicone and sulfate free, keeping things simple for your hair and skin. Visit [enaphyto.com](http://enaphyto.com) and @waphyto on IG.

**3.** This is the second of a seven chakra shampoo and conditioner range from **CRYSTAL EARTH**. Crystal coded with Amber, it also contains Biosol extracted from Chamomile and is designed to target sensitive, easily inflamed and irritated scalps. The scent is a delicious blend of juniper berry, bergamot and cedar with a hint of cassia. All their products are vegan, cruelty-free and free from parabens and silicones. Explore at [crystalearth.co](http://crystalearth.co)

**4. RELAXAYVOO** is a collection of plant-based skincare essentials such as this Renew serum; treat your skin overnight with 30% prickly pear and carefully chosen oils. Created as a celebration of raw beauty, bringing the joy of nature into our daily lives, Relaxayvoo is all about essential self-nurture. Visit [relaxayvoo.com](http://relaxayvoo.com) and follow @relaxayvoo

**5. ASYVA** Amlflower® serum is a botanical powerhouse. It's packed with anti-oxidant and anti-inflammatory rich oils like organic plum kernel oil, Amlflower® seed oil, phyto-squalane, organic pomegranate and organic sea buckthorn extract. A powerful treatment for the face, softening, smoothing and toning the skin's appearance. Visit [asyva.com](http://asyva.com) or follow @asyvaskincare on IG.

**6. SOAP ON THIRD's** multi-purpose toison pop is the perfect on-the-go moisturiser and a skincare, travel essential that glides directly onto the skin, leaving a dewy appearing glow behind. Available in several options, all are scented with essential oils or organic extracts only; they carry no preservatives or synthetic fragrances. Visit [soaponthird.com](http://soaponthird.com) and follow @soaponthird on IG.

**7.** Beauty tech just got personal! **OLURA** is a professional level skincare routine that combines the Eno all-in-one facial device and a Treatment Serum custom blended for your skin. Enjoy smoother, firmer looking skin with Olura. Visit [olura.us](http://olura.us) and follow @olurasikincare on IG.

**8. ROOTED APOTHECARY** combine properties from the Cottonwood (Populus) tree and Grindelia (Grindelia Squarrosa) to bring you their Hyaluronic Acid Serum. Designed to reduce the appearance of puffy skin whilst leaving skin feeling refreshed. Best used while face is damp for an extra sense of hydration. Small applications can be used on acne to help reduce the appearance of flare-ups. Visit [rootedapothecary.com](http://rootedapothecary.com) and follow @rootedapothecary on IG and Facebook.

**9.** The cult-classic **HURRAW!** has created Balmtoo, a squeezable, vegan body balm that melts into skin. Unique cold pressed oils, exquisitely pure scents, 100% recyclable aluminum tube. Visit [hurraw.com](http://hurraw.com) and follow @hurrawbalm on IG.

**10. GREEN ROOM** shampoo and conditioner bars are haircare staples for the eco-conscious traveller. Made with natural ingredients, these bars deliver luxury results without the need for additional bulky plastic packaged products. Solid, compact, and spill-proof – you'll want to pack these on your next long awaited holiday. Shop [greencorbody.com](http://greencorbody.com) and follow @greencorbody on IG.

**11.** Considering everything we put our hands through, keeping them moisturised is important! **CASHMERE MOON'S** Whipped Hand Lotion is loaded with plant-based ingredients like shea butter to keep hands nourished with moisture, while Vitamins C + E work together to give hands a youthful appearance. If you're looking to moisturise more than your hands, check out their body creams and body oil at [shopcashmeremoon.com](http://shopcashmeremoon.com) or follow on IG at @shopcashmeremoon

**12. SYDNI SKINCARE AND BEAUTY®** is an independent beauty brand co-founded by a mother and her daughters. The brand's clean, non-toxic and cruelty free makeup and skincare collection are the result of the family solutions to their own personal beauty challenges. Visit [sydniskin.com](http://sydniskin.com) and follow @sydni\_skin on IG.

**13.** Australian brand **MOKOSH** offers a 100% certified organic skin range prioritising skin wellbeing to boost your glow! Backed by a strong science rationale, Ayurveda influence and a synthetic-free policy, their range is streamlined, multi-tasking, cruelty free and palm oil free. Visit [mokosh.com.au](http://mokosh.com.au) and follow @mokoshskincare on IG.

**14. ULTIMATE SKIN KIT.** The ultimate one-stop-shop to elevate your skincare. Featured is their Black Ostrich Heart Saw Gua Sha and OM-SE Hydrating Face Mist – an ideal combination to keep your skin hydrated and looking plump and fresh when you're on the move. Shop these and their range of luxury tools, devices and skincare at [ultimateskinkit.com](http://ultimateskinkit.com) and follow them on IG @UltimateSkinKit
