

The Beauty Round-up

- 1. NUTRIBURST** is a vegan and sugar-free gummy vitamin brand endorsed by nutritionists. They taste like a tiny treat, but are bursting with vitamins and minerals. They aim to support the normal functioning of your body and mind and help to leave you looking and feeling your best. Use code VANITY15 [expires 01/07/21] for exclusive discounts at nutriburstvitamins.com and follow [@nutriburstvits](https://www.instagram.com/nutriburstvits) on IG.
- 2. LEGACY COSMETICS CO.** is a beauty brand created to enhance your inner beauty. They aim to create high quality and affordable products. Shown here is their 'Sugar & Spice' Eyeshadow Palette that includes six mattes, three shimmers and three pressed glitters. Visit legacycosmeticsco.com IG: [@legacycosmeticsco](https://www.instagram.com/legacycosmeticsco)
- 3. GLOW AWAY SKIN'S** Silk Exfoliating Facial mitt is an all natural and chemical free exfoliation tool, derived from the ancient Turkish hammam ritual. When used with water it helps to remove dead skin cells and makeup residue whilst also reducing the appearance of blemishes. Visit shopglowawayskin.com and follow [@glowawayskin](https://www.instagram.com/glowawayskin) on IG.
- 4. KLARA'S** Anti-wrinkle Day and Night Creams are designed for ageing skin. Only high-quality, natural ingredients are used such as hyaluronic acid and avocado extract. These creams nourish your skin with moisture and help to reduce the appearance of fine lines. Visit klaraskincare.com and follow [@klaraskincare](https://www.instagram.com/klaraskincare) on IG.
- 5. LUONKOS** is a responsible, handmade brand that prides itself on being caring and respectful of nature. The brand's story is rooted in a desire to rediscover a connection to natural well-being. Refresh is an award-winning all-natural dry shampoo that aims to leave no visible residue and helps the scalp to feel soothed. Plastic-free packaging. Visit luonkos.fi IG: [@luonkos](https://www.instagram.com/luonkos)
- 6. BARE** is a natural, vegan, cruelty-free skin and hair care brand with only five ingredients in every product. Their Green Tea and Tea Tree Cleanser is formulated to help reduce the appearance of acne, minimise the appearance of pores, and nourish the skin with moisture. Embrace your BARE face today. Visit barefortheskin.co.uk and follow [@bareofficialuk](https://www.instagram.com/bareofficialuk) on IG.
- 7. TYM BOTANICALS**, is on a mission to provide cruelty-free, natural and sustainable skincare for all. Designed with all genders and skin types in mind, their elevated formulations use organic, wildcrafted and fair-trade ingredients. Moreover, they donate 1% of each sale to the Rett Syndrome Organization. Visit tymbotanicals.com IG: [@tymbotanicals](https://www.instagram.com/tymbotanicals)
- 8. Infused with bergamot and natural fennel extracts** **NOODA ORGANICS'** shampoo bar is the perfect addition to your beauty routine. Vegan, SLS and cruelty free, their professional shampoo bars are packed with wheat proteins and vitamins. Leave your hair looking and feeling healthy. Moreover the packaging is recycled and completely plastic free. Visit noodaorganics.com and follow [@noodaorganics](https://www.instagram.com/noodaorganics) on IG.
- 9. PRAIRIE SOAP SHACK** takes inspiration from the past and plants of the prairies to create all-natural skin and body care. Designed for women who want a modern self-care routine infused with a connection to nature. Visit prairiesoapshack.com and connect with the owner Jess on IG [@prairiesoapshack](https://www.instagram.com/prairiesoapshack)
- 10. La Roseaie is MIELEV'S** 24hr moisturising, lightweight face cream. It helps to leave dry and irritated skin feeling soothed and healthy. This cruelty-free, 100% vegan skincare brand uses ethically sourced, organic ingredients. Visit mielev.com and follow [@mielev](https://www.instagram.com/mielev) on IG.
- 11. ELLEADA'S** one-step, topical Hair Strengthening Serum contains a blend of herbs, essential oils and plant botanicals. This natural product that feels lightweight helps to leave you with hair that appears longer. Elleada is vegan, cruelty free, gluten free, soy free, ethically sourced, and zero waste. Visit elleada.com IG: [@elleada](https://www.instagram.com/elleada)
- 12. Emerging German brand, LEO PRINZ,** focuses on sustainable and natural hair care. With their signature boar bristle hair brush, they combine an exclusive design with state-of-the-art materials for a modern approach to hair care. Visit leo-prinz.com and follow [@leoprinzofficial](https://www.instagram.com/leoprinzofficial) on IG.
- 13. GREEN ROOM** shampoo and conditioner bars fit seamlessly into any low-waste lifestyle. They are made from natural ingredients, containing lemongrass and charcoal, and formulated for normal to oily hair. Their solid and compact bars are essential haircare staples for any adventure. Shop greenroombody.com and follow [@greenroombody](https://www.instagram.com/greenroombody) on IG.
- 14. Providing luxury care at affordable prices, RAW CUT SOAPS CO** stands to empower people to wash naturally. Their natural oil soaps are suitable for all skin types and can be used for conditions such as eczema and psoriasis. Each bar is handmade with organic and natural ingredients and hand cut in Atlanta, GA. Visit rawcutsoapsco.com and follow [@rawcutsoap](https://www.instagram.com/rawcutsoap) on IG.
- 15. SIRACH** Eau de Parfum is a unique, unisex luxury fragrance made from high quality ingredients from Grasse, South of France. It is loved for its wood scent and blend of rich oud notes, softened by the warmth of spices that linger to reveal a daring fragrance. Visit sirachsents.com IG: [@sirachsents](https://www.instagram.com/sirachsents)
- 16. Based in Australia, FACEOFF SKINCARE** provides vegan skincare products. They donate \$1 from every clay mask purchased to the Voiceless Animal Cruelty Foundation. Their Lips Of An Angel mask aims to help lips feel firmer, softer and soothed. Visit faceoffskincare.com IG: [@faceoffskincareofficial](https://www.instagram.com/faceoffskincareofficial)
- 17. PRESHOP'S** signature organic olive oil soaps are hand-poured in Peloponnese, Greece. Made with natural ingredients by the expert skincare father-daughter duo, dermatologist Dr. Ar. Marinis and pharmacist, I. Marini; their vegan and cruelty-free collection boasts six luxurious soaps to choose from. Visit pureshop.gr and follow [@pureshop_soaps](https://www.instagram.com/pureshop_soaps) on IG.
